SUBJECT.

Duties Precedence &
Emoluments of Officers

Serial No.

From Mr. M. Rama Rao (Durbar Bakshis Office)
Do. No 67 d. 2.9.36.

Requests to be informed whether certain Educational officers drawing a pay of Rs 500 in grade 400-25-700 are to be construed as coming under Class II and entitled to Card invitations & to wear the prescribed Durbar Uniform.

[Reference is invited to the discussions in the linked file in which the same point has been raised by the Registrar, Mysore University, & the case has been ordered to be submitted to the Dewan on return from Europe.]

P.U.D

The points raised by the Durbar Bakshis office are :—

(1) Are Educational Officers drawing Rs 500 & above in the grade Rs 400-25-700 are to be construed as coming under class II of the Precedence List
(2) whether they are entitled to Card invitations, and
(3) to wear Durbar Uniform.

The reason for the doubt appears to be that there is an

NOTE—Contn. Sheet.

item under class II of the Precedence List - "Educational officers drawing Rs 500-1000". H K There is a specific grade in the Edu Dept & University on Rs 500-50-1000, and there are also ~~overlapping~~ lower appointments with overlapping grades in which officers may happen to draw a pay above Rs 500, e.g 400-700. The doubt felt is whether the item in class II refers ~~to persons~~ only to officers in the specific grade of 500-50-1000 (an old grade all the officers in which are now drawing Rs 1000), or whether officers in other lower grades drawing a pay of Rs 500 & above come under this item.

In this connection it is submitted that there is also a general head under class III - "All other officers drawing Rs 500 & above", and all Surgeons drawing above Rs 500, ~~Executive~~ Executive Engineers (450-750) Superintendent Govt Printing (500-750) are included in ~~this~~ class III. If Educational officers on Rs 500 & above in grade 400-700 are included in class II there will be a differential treatment ~~which it is not which~~ and it is for consideration whether this was intended. In reply to an enquiry regarding existing practice, the Durbar Bakshi's Office state

State that "card invitations" are being issued to two local educational officers drawing Rs 700 in grade 400-700. No information is furnished whether they have been treated as actually coming under ~~Rules~~ class II and entitled to Durbar Uniform.

Re: Officers entitled to be invited for Dasara & Birthday, kind reference is invited to the ~~Rules~~ copy of the Rules put up, ~~according to which~~, ~~officers~~ which were issued in 1931. According to these, officers of class II are entitled to be invited to Dasara only if they are required to attend the ~~Durbar~~ R.A. meetings, and there is no likelihood of any officer on 400-700 being required to attend the R.A. The question ~~now~~ raised only comes up in connection with officers residing at Mysore and in regard to these, the rules referred to do not apply, ~~and~~ as a reservation has been made that the local officers "will continue to be invited for both the Birthday & Dasara Function as usual" i.e. as per practice ~~in~~ obtaining prior to 1931 about which no information is available in the Secretariat. ~~It is for consideration~~

~~whether the existing~~

may perhaps follow ~~exists~~ previous practice in regard to issue of invitations to local offrs — apart from the question of the class in which they are included.

Re: Durbar Uniform, the following ~~are~~ appear to be entitled to Uniform: ~~The~~ offrs in Class I & II, Under Secretaries to Govt, Private Secy. to H.H. the Maharaja & other Palace offrs." So if the Edl. offrs on Rs 400-700 drawing Rs 500 & above, are considered as not coming under class II, they ~~are~~ will not be entitled to Durbar Uniform unless specially allowed as in the case of Under Secretaries.

Vide page 463 of Manual of General Circulars Pt S.

The points for orders are:—

(i) Are Educational offrs drawing Rs 500 & above in grade 400-700 included in ~~Part~~ class II

(ii) Are they entitled to "Card invitations"

(iii) Are they entitled to "Durbar Uniform".

Re: (i) the trend of discussions in the linked file is that they come under class III. Re (ii) & the point arises in connection with local offrs and the previous practice (even prior to 1931) seems to be the guiding factor. Re: (iii) depends on (i) or on special order

1) For many years past Educational offrs in the grade of Rs 500 rising to Rs 1000 have been shown under class II of the precedence list. The reason for this may perhaps be attributed to the circumstance that the maximum pay of this class of appointments is Rs 1000. Obviously it was not intended to include Educational offrs drawing Rs 500 and over in the grade of Rs 400 to Rs 700 in this category. This assumption is supported by the recent decision of Govt. transferring the Registrar of the University from class II to class III. Accordingly Educl. offrs in the grade of Rs 400 to Rs 700 are proposed to be shown in class III of the precedence list.[x] In view of this a reply may be sent to the Durbar Bakshi that the four offrs referred to in his letter dated[x] 2.9.36 drawing Rs 500 in grade Rs 400 to Rs 700, do not come under class II. Invitation by Cards would therefore have to be regulated accordingly.

2) As regards Durbar uniforms, the offrs holding and above, to wear the same are offrs in class II and certain other offrs specifically mentioned.[x] In view of this, it is not clear under what circumstances the marginally noted offrs[x] drawing Rs 700 in grade Rs 400 to Rs 700 were allowed to wear the prescribed Durbar uniforms and issued Card invitations.

Dear Mr. Rama Rao,

Your D. O. letter No.67 dated 2nd instant regarding the rank of certain Educational Officers in the Precedence List. The point raised by you is under the consideration of Government in connection with a reference already made by the Registrar of the Mysore University.

In the meantime, I shall be obliged if you will kindly intimate to me what the previous practice has been in this respect. I find that the item "Educational Officers drawing Rs.500-1000" is shown under Class II of the Precedence List for a long time past and that while there is a specific grade on Rs.500-50-1000, there have been also overlapping grades on Rs.400-700, 500-700 etc. at the same time. How were the officers drawing Rs.500 and above in these latter grades ranked in the past?

Yours sincerely,

Chief Secy.

M. Rama Rao, Esqr., B.A., B.L.,
Assistant Secretary to His Highness
The Maharaja of Mysore.
